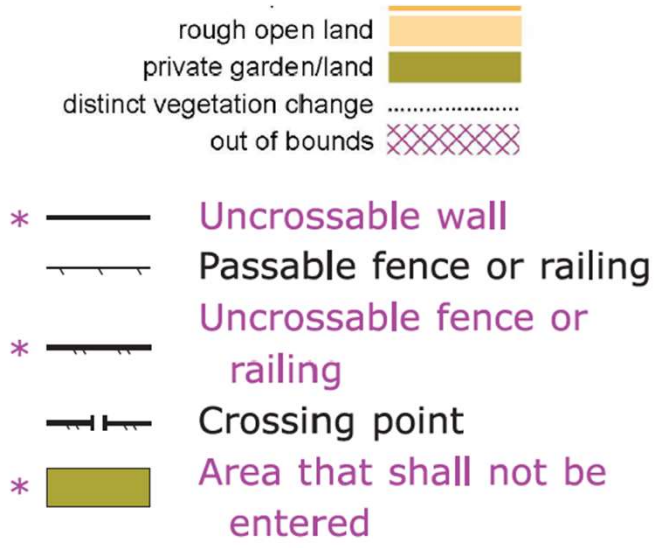
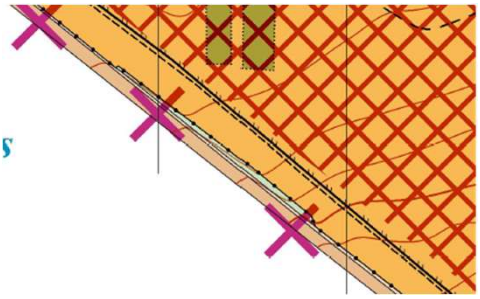
# Notes for Blue, Green & Red courses

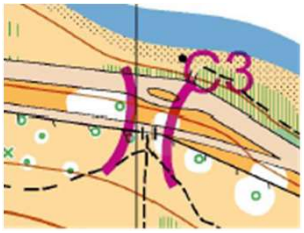
These courses have some controls in Cramond Village which has been mapped using Sprint map symbols. In particular, note that that the Olive Green screen means OUT of Bounds and there are some uncrossable walls and/or fences



Please be especially courteous to the residents

The major road to the west (Cramond Road South) **and its pavement** are out of bounds, marked with red crosses on the map.





Please use the marked crossing points (to cross fences) when out on the Foreshore
