**M O D Training Area**

There is a Range Danger Area at Castlelaw, marked as Out of Bounds on the map and by red flags and lamps on the hill. When these flags or lamps are displayed, members of the public may proceed on foot, at their own risk, to other parts of the M O D Training Area, which includes the area covered by this map.

There is a possibility of encountering military activity at any time, and you are asked to be considerate to all other people you might meet.

For your own safety, do not touch any debris or suspicious objects that you may see in this area.
